WELCOME to all who have joined us for worship today!

Please join us for coffee/tea/juice in the fellowship hall after the service – we would like to get to know you!

Hearing assistance

A telecoil hearing-loop system sends a signal into the sanctuary. If your hearing aid is t-coil equipped, try switching to the t-coil receiver. An FM hearing assistance system is also available for ears without hearing aids. Consult the sound operator for assistance.

WORSHIP NOTES

Worship Today

In the morning service, we conclude our series on discipleship by considering together the Great Commission. There we see how our identity as believers always intertwines the call to follow Jesus more closely and to share the Good News. In the evening service, we will take a break from our series on Balaam to gather for small group prayer. Our prayer service this evening will be shaped by Psalm 47 and the theme of Christ's ascension.

Sioux Center Summer Celebration Community Worship Service

As we did last year at the close of Sioux Center's Summer Celebration weekend, we will be joining with the other churches of Sioux Center for a community worship service on Sunday, **June 4**, at 10:00 AM at the football field. Rev. Paul Wesselink, pastor of congregational care at Newhall Community Church (RCA) in Wyoming, MI, Sioux Center HS class of 1967, and child of First RCA Sioux Center, will be preaching and an offering will be received for the Family Crisis Center.

ANNOUNCEMENTS

Praying for Our Local Congregations

This week, please be in prayer for God's blessing on the Central Reformed congregation and the ministry of Pastor Van Rathbun.

Nametags

If you missed the name tag distribution last Sunday, you will find a name tag decorated by a Covenant Sunday School student in your mailbox. We hope that you enjoy the name tags and wear them often!

Sound-Board Operator Needed

Covenant would like to add a new person to our crew of sound-board operators. An interest in music and/or technology is helpful, but willingness is the main qualification needed. Ages from high-school upward are welcome. Training will be supplied as needed. Each sound operator is scheduled to run sound for about one Sunday each month and two or three other events each year as needed (weddings, funerals, Warm Winter Wednesdays, etc.). If you are interested, please contact Doug DeBoer (Douglas.DeBoer@dordt.edu).
