According to their website, the mission serves nearly 360 meals/day, houses over 75 individuals each night, distributes over \$1300 in clothing and household items each week, and provides assistance to the elderly and working poor, including over 125 families each week. Many Covenant members have volunteered at the Mission, serving meals, working in the thrift store, or helping in the food pantry. The used clothing donation boxes at Covenant are also dedicated to this cause.
