Responding with Thanksgiving

Offering for World Renew: World Hunger

In communities where poverty is prevalent, men, women, and children often struggle to grow enough food, lack access to clean water, fight to rebuild after a disaster, and experience injustice. Through your offerings, World Renew can equip those in need with the skills and knowledge required to move beyond these barriers. By creating stability, those facing hunger and poverty can experience uzima—a sense of wholeness—for themselves, their family, and community.
