**WELCOME** to all who have joined us for worship today!

Please join us for coffee/tea/juice in the fellowship hall after the service – we would like to get to know you!

### Hearing Assistance

A telecoil hearing-loop system sends a signal into the sanctuary. If your hearing aid is t-coil equipped, try switching to the t-coil receiver. An FM hearing assistance system is also available for ears without hearing aids. Consult the sound operator for assistance.

## ANNOUNCEMENTS

### Praying for Our Local Congregations

This week, please be in prayer for God's blessing on the Jesucristo el Buen Pastor congregation and the ministry of Pastor Rodrigo Gonzalez.

### Pastor Joel's Time Away

As you may have read in the June Courier, Pastor Joel will be taking some time off for both study and vacation. If you have any pastoral needs through July 9, please contact your pastoral group elder/deacon.

### From the Deacons:

In case you missed last Sunday night's meeting with the Groenewold-Van Dyks, there is a leak in the roof. When it rains, it pours, and it's not supposed to do that inside the building. We as a church will have to do something about that, but it's going to be expensive. We'll also have to keep an eye on heating and cooling the building as well as general upkeep on our facility. The grounds at church and around the parsonage need to be maintained as well, and as a church we are looking at keeping the facility safe and comfortable for worship and all other church activities. That could be seen as the "bad news" but really, it's an opportunity to help out your church family. The offering this morning will be taken for the Building Fund directly (this would be the "good news"). Please prayerfully consider the needs for the building God has entrusted to us as you offer up your gifts to God.

### From the SAM Committee:

Although it seems early to think about going back to school, Mid-Sioux is again launching their Kits for Kidz program. This allows them to provide a back pack and the school supplies needed for the children they serve for \$20. It's an easy way to distribute to low income families what their children will need to start school this fall, and they are hoping we will help with a donation of any size. There is a box on the table in the narthex for donations and it will be there until **July 8**. Let's help Mid-Sioux bless families in this way. Thank you!

### CovenAnts Needed!

We have another opportunity to be Community Builders as we help one of our family members and raise some funds for Christian Education. Chris Goedhart has asked for our assistance in building a 2-stall garage. This would include all framing, siding, and shingling. All concrete work and demo of existing garage will be taken care of before we get started. This will be a fun project for a lot of ages to learn and help. If you are available and willing to help with this project, talk to Adam Fedders or call/text him at 441-2073. We anticipate the project will run from **July 22 - August 3**. More details to follow as we get closer to the end of July.

### Move On In!

You'll notice that there are fewer chairs set up in the Fellowship Hall. We're making this change for the summer to make the deacons' job a bit easier and to bring more of us together into the sanctuary. We encourage all members to consider leaving the back rows available for families with young children.

### Children and Young People Grades 4-12:

Would you like to sing or play an instrument in church this summer? Please talk to or email Rebecca De Vries and let her know which Sunday you are available.

### Vacation Bible School
