Requested Announcements

From Hope Haven:

Hope Haven is in need of cloth masks for their employees. Creating cloth masks will assist in the conservation of precious protective equipment. You will need a half-yard of fabric to make two or three masks, as well as quarter-inch elastic loops. Elastic hair ties/bands will work. Please see the Hope Haven web page, <https://www.hopehaven.org/covid-19-resources>, for a link to patterns and video tutorial. You will also find a tutorial for a sew less version that would also be appreciated. Pick-up and delivery information: When you have the masks made and ready to go, please put them in a plastic bag and drop off at the designated locations or call the contact person in your area for pick up below.
