Sioux Center Christian School is seeking to fill the position of cook in the school lunch program, starting with the 22-23 school year (with an August start date). The person should be hardworking, dependable, able to work as a member of a team, and detail oriented. Hours would be between 7:30/8:00 am and 1:30/2:00 pm 4 days per week. This position could also be shared between 2 people. Lunch is a very important part of the school day, and we encourage you to consider how you can make an impact on student learning through the lunch program! Go to www.siouxcenterchristian.com/about/employment.cfm for the Staff Application.

Heart Health & Dordt University – Here's a chance for you to learn more about your heart health, and to help raise awareness for others at the same time! Recently, a mutation in the PLN gene encoding for cardiac muscle cell regulation has been discovered to affect individuals with Dutch ancestry. Since it is a genetic condition, the PLN mutation is passed along from generation to generation, and carriers of the mutation may experience a decreased lifespan as well as cardiac heart failure symptoms. A research group at Dordt University is developing a study to raise awareness of this mutation and to help people understand the impacts of the mutation on families. If you are interested in learning more about PLN and its effects, please contact Lucy Borkowski at lcyrkws19@dordt.edu and follow the PLN Genetic Mutation Awareness Facebook Page.

Join Cornerstone Prison Church in Sioux Falls for a "Renewal" Faith Fellowship Weekend on Friday, July 29 through Sunday, July 31. Join in worship, large group talks, and small group discussions. Deadline to sign up is July 7 by contacting office@cornerstonepcsd.org or by calling 507-215-3670.
